

Activities REPORT of the Nutrient and Gene interactions IUNS task force (2013-2014)

1) Summer School. San Sebastián. (see enclosure)

Global Health and Individualized Nutrition. 22-23 August 2012

- Nutrigenomics and obesity)

2) Preparation of the programme for the IUNS-ICN Congress in Granada (15-20-Sept-2013) as follows

Proposal from IUNS Task Force about NUTRIENT-GENES Interactions

Title: OMICS Technologies with nutritional perspectives

Chairs: B van Ommen and J Alfredo Martinez

Topics & Speakers

Nutri-Omics and System Biology applications in Nutrition by S Wopereis (On behalf of NUGO)

Nutrigenetics & Nutrigenomics: the scope of a new discipline by R De Caterina (on behalf of ISNN)

Nutriepigenomics By J Alfredo Martinez (on behalf of IUNS/ISNN)

Metabolomics by L Brennan (On behalf of NUGO)

3) XVI Latin American Congress of SLAN. Havana 11-16 November 2012.

- Participation in the round table "Nutrigenomics and early programming"

4) Conference about Nutrigenomics at Korea Nutrition Society. Seoul 14-16 November 2012 .

International Workshop titled capacity and leadership development in nutritional sciences.- 2 sesiones:

- IV International Meetings: Introduction of ICN 2013
- KNS Conference.Nutrigenomics of obesity and weight loss

5) 6th Congress of the International Society of Nutrigenetics/Nutrigenomics (ISNN). Sao Paulo 18-21 November 2012

- Session 5: Gene nutrient interaction in obesity and diabetes: Dietary interventions in obese people as affected by the genotype: nutrigenetic approaches.
- Session 10: round table - Perspectives and challenges in nutrigenetics and nutrigenomics

6) XVIII Congress of Nutrition. Sociedad Chilena de Nutrición Santiago. 6-7 December 2012. Conference "Obesity and epigenetics"

7) Congress SGGD 2013. The genetics of diabetes in the genome sequencing era. Malmö. May 2013. Conference: Epigenetics: nutrients and obesity

8) 5º Assambly Jalisciense of Nutrition. Guadalajara (México). May de 2013
Conference Nutriepigenómica y obesidad

9) IUNS 20th International Congress of Nutrition "Joining cultures through nutrition". Granada (Spain). September 2013. Conference Nutriepigenomics and obesity

10) 7th annual scientific meeting of the International society of Nutrigenetics/Nutrigenomics (ISNN). Quebec (Canada). October 2013.

11) 17th World Congress on Clinical Nutrition (WCCN) "Joining Cultures through Nutrition and Cardio Vascular and Other Non-Communicable Diseases". Sofia (Bulgaria). October 2013. Conference: Nutrigenomics of obesity

12) XIX Congreso Argentino de Nutrición "Nutrición responsable: evidencias para la acción". Mar del Plata (Argentina). November 2013. Conference: Nutriepigenómica de la obesidad

13) VI Congreso FEDN - El dietista nutricionista: la mejor inversión en salud
"Nutrición Personalizada: Genómica Nutricional en la Obesidad"
Valencia (España), 16-18 octubre 2014

14) IUNS Workshop International "Nutrición y genética"
"Nutrición personalizada basada en la genética"
Buenos Aires (Argentina), 20 octubre 2014

15) III World Congress of Public Health, II Latin American Congress of Community Nutrition, X Congreso de la Sociedad Española de Nutrición Comunitaria (SENC) – Public Health Nutrition: The core of international cooperation for development
Personalized Nutrition, obesity and inflammation
Las Palmas de Gran Canaria (España), 9-12 noviembre de 2014

Also in this period a Note for Annals Of Nutrition and Metabolism (Official Journal of IUNS) was prepared and accordingly published
