**Type de contrat :** CDD

**Localisation :** Parma 43126, IT

**Durée du contrat :** De 12 à 36 mois

**Niveau d'études :** Bac +4

**Années d'expérience :** 3-4 ans

**Description de l'entreprise :**

The European Food Safety Authority (EFSA) is the keystone of European Union (EU) risk assessment regarding food and feed safety. In close collaboration with national authorities and in open consultation with its stakeholders, EFSA provides independent scientific advice and clear communication on existing and emerging risks.

**Description du poste :**

Are you a qualified civil servant searching for a professional challenge in a stimulating and dynamic EU Agency? Do you want to apply your skills and knowledge to contribute to achieving EFSA's objectives and strategy? Is your organisation seeking opportunities to cooperate and build synergies with EFSA?

As an SNE you will serve a dual role: you will bring your expertise to EFSA and take back to your home administration the knowledge acquired during your period of secondment, fostering mutual exchange and strengthening cooperation between EFSA and its partners.

Being an SNE in EFSA means you will play an active role in an organisation that makes a difference to the lives of 500 million EU citizens.

EFSA key priorities are:

- \* Prioritise public and stakeholder engagement in the process of scientific assessment;
- \* Widen EFSA's evidence base and optimise access to its data;
- \* Build the EU's scientific assessment capacity and knowledge community;
- \* Prepare for future risk assessment challenges;
- \* Create an environment and culture that reflects EFSA's values (cooperation, innovation, openness, independence, scientific excellence).

**Your contribution**

As an SNE in EFSA you will be actively involved in EFSA's activities and be part of an enthusiastic and multicultural team. Depending on your expertise and the Unit to which you will be assigned to you may support the work of a Scientific Panel or a network of Member State Representatives, perform data collection, data analysis and risk assessment, be involved in communication and external/internal relations activities and provide assistance to business support activities.

**WHAT CAN WE OFFER YOU**

**Working at EFSA**

You will have the chance to get experience in a leading scientific EU agency allowing you to develop new competencies and skills in line with your professional aspirations and you will take back this valuable and

rewarding experience to your home administration. In addition it will allow your organisation to enhance cooperation with EFSA.
